ORDER

On January 24, 2021, Nicholas County Water District (Nicholas District) filed a motion for extension of time to February 7, 2022, to respond to information requests from the city of Carlisle (Carlisle). As grounds, Nicholas District explained that its staff has contracted COVID-19 and has not been able to collect the information necessary to respond.¹ Carlisle filed a response on January 28, 2022, stating that it did not object to the extension and did not object to the hearing being rescheduled should the extension be granted.² The Commission finds good cause to grant Nicholas District’s motion for extension. On its own motion, the Commission finds the hearing scheduled for February 8, 2022, should be postponed so that the parties are able to respond fully and adequately to the information requests in the record. The Commission finds that a new procedural schedule set forth in the Appendix to this Order, should be entered to fully develop the record in this matter.

IT IS THEREFORE ORDERED that:

¹ Nicholas District’s Motion for Extension of Time (filed Jan. 24, 2022).

² Response of the City of Carlisle, Kentucky to Motion for Time (filed Jan. 28, 2022).

1. Nicholas District's motion for extension of time is granted.
2. The hearing scheduled for February 8, 2022, is canceled.
3. The procedural schedule set forth in the Appendix to this Order shall be followed.
